

## Pastor Valissa Garrett Moore

---

Pastor V, which is what she is affectionately called, is born again, baptized and filled with the Holy Spirit. She is the daughter of James Louis Garrett and Mildred Gunter. She has been married to Pastor David G. Moore for 35 years and they are the proud parents of three daughters.

Over 35 years ago Valissa entered into ministry as a psalmist until God called her to preach with simplicity the death, burial and resurrection of His only begotten Son, Jesus Christ in 1998.

In 1998, at the leading of the Holy Spirit, she and her husband, founded Moore and Moore Ministries International, a ministry dedicated to evangelizing the lost and edifying the saved through the *Word of God* and song. In that same year she and her husband founded Moore Christian Academy Homeschool and began homeschooling their children, since then, they have graduated all three children from that school.

In 2000 she preached her initial sermon and in 2004 was ordained under the leadership of Rev. Dr. Nathaniel J. Wood at New Providence Missionary Baptist Church. In 2006, Valissa and her husband began providing annual "**Beyond The Veil**" or **BTV Couples**' workshops and conferences to help strengthen marriages and restore families by teaching couples the importance of keeping God first, personal development and continuous communication within the marriage.

In 2007 she also began a weekly online devotional called "**Proverbial Moment**" which served recipients on more than 3 continents. She's the author of eight books, the best seller being "**Be Healed!**"

In 2012 she and her husband felt led to plant a new church in the NC area where they presently pastor. Reaping the Harvest Christian Church or RHCC has been instrumental in feeding and clothing the needy and changing the world one person at a time. In January 2014 they were also instrumental in the establishment of RHCC on the continent of Africa in Kissi County Kenya.

In 2016 Pastor V created a 7 day virtual journey entitled "**Meet Me At The Well**" which has helped 100's of individuals begin to understand who they are and walk in their God given destinies. In 2017 she launched an online broadcast entitled "Renewed and Transformed" a social media broadcast that reaches 1000's of people teaching them how to renew their minds with the word of God in order to see transformation in their lives.

She is currently enrolled at Andersonville Seminary in pursuit of her Doctorate in Theology and Christian Counseling.

Pastor V is also an accomplished teacher, preacher, evangelist, revivalist, conference speaker, songwriter and recording artist.

Her favorite saying is, "If you meet me and forget me, you've lost nothing. But if you meet Jesus Christ and forget Him, you've lost everything."
